

Claim Form

SEFL has enhanced the User Interface for the File a Claim option for our customers. To File a Claim, access www.sefl.com, using the following menu options:

Shipping Tools → Claims → File a Claim.

SEFL recommends filing the claim using your MySEFL credentials in order to keep all claims linked to your account for easy access.

- Click [here](#) to request a username and password.
- Alternatively, customers may file without a MySEFL login. This option is also accessible from the File a Claim page.
